ACTION ALERT:
Redistricting Reform - Please Call Your Legislators Today!

Dear Friends,

The Ohio House and Senate are debating competing proposals to change how we draw legislative districts - HJR 11 and HJR 12 in the House; SJR 8 in the Senate.

At this time, it is unclear which bill (if any) will ultimately pass. **However, they could be scheduled for floor votes as soon as Thursday**, so time is of the essence.

We have serious concerns with some of the options being discussed. **Please call your state Representative and Senator and urge them not to support a redistricting reform plan unless it includes a true bi-partisan solution.**

Calls are especially helpful if your state representative or state senator is in the majority (Republican) party. Please call their office and urge a "no" vote on SJR 8 and HJR 11 and 12, and urge a bi-partisan approach to redistricting reform.

Thank you for taking action to support true redistricting reform!

Thank you,
