

**An Incredible Week!!**

**What an incredible, momentous week** (and that is a huge understatement)—  
**Congratulations to each of you League members across the state!!**

**Each of us can stand especially tall after the League's two extraordinary achievements the week of June 15, 2009.** First, we were thrilled that the League of Women Voters of Ohio (LWVO), along with LWV Toledo-Lucas County and a dozen Ohio citizens, reached **a truly historic agreement with the State of Ohio to fix decades-old defects in the way Ohio conducts its elections** [Click here for information on the LWVO Lawsuit](#). This is a HUGE victory for the League, but more importantly, for Ohio voters. And second, LWVO and our partners were delighted to announce the winners of **the Ohio Redistricting Contest—a contest that proved redistricting can be an open process that uses objective criteria to produce fair electoral districts** [www.ohioredistricting.org](http://www.ohioredistricting.org). It's never been done before!

**Way to go, League!!! Two tremendous triumphs, all in one week!**

But in truth, League members supported by League staff have worked extraordinarily hard for years to bring about these remarkable events. **And your past financial support was absolutely essential in making these victories possible. Thank you--because without the support of our staff, our League volunteers could not have accomplished all that they have.**

**We've gotten remarkable results—but there's a great deal yet to do:** overseeing the implementation of election reforms and continuing to work on redistricting reform, education reform, judicial reform, healthcare reform, the environment.... These and many more issues demand our attention. **Your financial support will help us address urgent public policy issues and spread our message across the state. Now is the time to join others like yourself who believe we each have a responsibility to make democracy work—and who support our work by donating to LWVO / EF. Donate today!** You can use the form below or the link on the League website [Click here!](#)

Thank you in advance! **With your generous support, LWVO and its Education Fund will continue to have a huge influence on Ohio's major public policy issues.**
