

VOTING 1-2-3 VOTER ID

Ohio's voter ID law has NOT changed!

Ohio accepts a wide variety of documents for voter ID purposes:

- A driver's license or state ID card with your name and photo issued by the Ohio Bureau of Motor Vehicles. The card must be current (not expired), but it can have an old address.
- A U.S. Military ID with your name and photo (address not required).
- A government ID with your name, current address, and photo. Note that student ID is not accepted.
- An original or copy of one of the following current documents that shows your name and current address: utility bill (including cell phone bill), bank statement, pay stub, government check, or other government document. The document must have a date within one year of Election Day to be accepted as current.
- If you do not have any of the above, you may use the last 4 digits of your Social Security number. You will have to vote a provisional ballot, but it will be counted so long as the number matches your voter registration.

Don't wait until Election Day. Plan ahead to make sure you have an acceptable form of ID to vote.

If you plan to vote in a state other than Ohio, please check that state's voter ID requirements at www.vote411.org. Many states have new, more restrictive voter identification laws in place in 2012, but Ohio is not one of them.

Made possible in part by the League of Women Voters Education Fund and OhioVOTES, a project of COHHIO.
