

Here is a list of event options from the slides:

**Option 1: Movie Night**

This can be virtual or in-person. Even watch parties can be virtual!

We recommend the movie Line in the Street - it is 60 minutes and [available for small fee to rent on Amazon](#)

Questions can be led by a moderator - could be a Fair Districts speaker

Fair Districts can provide questions

**Option 2: House Party and a Speaker**

Host a virtual or in person party and invite a Fair Districts speaker to talk about redistricting. This can be for a community organization or a group of friends (like your bookclub!) Presentations can be 10, 30, or 45 minutes, plus time for Q and A

**Option 3: Community Events, Tabling, Parades**

Outdoor public events are resuming. Schedule a table to let people know redistricting is happening and ask them to take an action. Fair Districts will also have digital cut outs of districts available soon so you can print them locally.

**Option 4: Redistricting 101 and Community Mapping Combo Party**

Have a Fair Districts speaker motivate your group with a presentation and then have a community mapper help create their own map using the DistrictR software. Two parties in one!

This is best suited for smaller geographical areas.

**Each option can be paired with an action or multiple actions:**

Fundraiser (make sure you make an ask every time even if it's not a fundraiser!)
